### Product description:

Arcos Column 3 meters

The Arcos Column is designed to be placed in any area of the city, its elegant shape is ideal to give a touch of distinction to the surroundings.

It incorporates cast iron in the base of the anchorage, a central screw. It is made up of steel tube Ø 140 x 3 at the base and shaft in steel tube Ø 90 x 3. Finished with a connector 3/4 for the upper placement of the lamp.

Equipped with a registration door at the approved height. Made in one piece at heights of 3 mts. including M-16 anchor bolts.

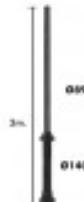

Painted in black colour RAL9005 with oven-baked polyester paint.

Uses of the Arcos Column 3 meters:

- Public lighting
- Streets Squares
- Residences
- Parks
- Urbanisations
