Product description:

4 arm steel crosshead

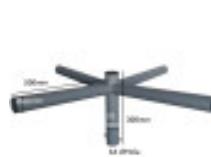

The 4-arm cross is made of steel tube. You have the possibility of choosing the finish in different diameters (on request). Polyester powder coating, electrostatically sprayed and oven sublimated. Resistant to corrosion. Its standard colour is black but it can be painted in any colour from the RAL chart (on request)

Uses of the 4 arm steel crosshead

- Staffs
- Columns
- Streetlights
- Ideal for parking, roundabouts, streets, squares...

In FactorLED we are committed to the **QUALITY** of our products and offer the necessary elements for **DISTRIBUTION, IMPORT or WHOLESALE**, including the technical data sheet of each LED product.
