Product description:

12W LED Wall Lamp VILNA Indoor

Our 12W LED wall light allows you to obtain a customised lighting thanks to a made-to-measure installation, according to the desired ambiance. It presents a warm and cosy light.

It is perfect for indoors, thanks to its IP20 rating.

Its constructive form allows to appreciate its cosy light and the beautiful warm reflections created by the LED luminaire.

The LED wall light is made of aluminium and steel, with high resistance baked white paint.

The appearance of the LED wall light is very aesthetic and has a harmonious expression. It is a beautiful addition to modern living spaces, giving them an elegant and cosy effect.

Uses of the 12W LED Wall Lamp VILNA Indoor

- Walls
- Corridors
- Rooms
- Entrances
- Bed headboards
