

Adapter cap E40-E27

Product code:

Reference: 3858

Technical specifications:

REFERENCE: 3858

Construction Material: Flame retardant thermoplastic

Base: E40-E30

Certifications: CE - ROHS

Dimensions (mm): $\Phi 40 \times L30$ mm

Warranty Years: 2

Product short description:

Discover the perfect solution to adapt and redirect lighting with the E40-E27 Socket Adapter. This innovative socket adapter-reducer provides the necessary flexibility to easily transform the E40 socket into an E27 socket, expanding the lighting options in your spaces.

Product description:

Adapter cap E40-E27

Discover the perfect solution to adapt and redirect lighting with the E40-E27 Socket Adapter. This innovative adapter-reducer for lamp sockets provides you with the necessary flexibility to easily transform an E40 socket into an E27 socket, expanding the lighting options in your spaces.

With this adapter, you can use E27 base bulbs in lamp holders originally designed for E40 sockets. This offers you the versatility to choose from a wide range of bulbs available in the market with E27 sockets, according to your LED lighting needs and preferences.

The installation of the E40-E27 Socket Adapter is simple and quick. Just screw the adapter onto the existing E40 socket and fit the E27 bulb into the adapter. In a matter of seconds, you will have achieved a secure and reliable connection, ready to enjoy new lighting in your space.

This adapter features high-quality materials that ensure long-lasting and durable performance.

The E40-E27 Socket Adapter is the ideal solution for those looking to make the most of their existing lighting system and expand their lighting options. With this adapter, you can easily transform the socket of your E40 lamp holder into an E27 socket, offering greater versatility and flexibility in bulb selection. Whether for residential or commercial applications, this adapter allows you to adapt your lighting in a simple and effective way.

Expand your lighting possibilities and simplify the way you use your lamp holders with the E40-E27 Socket Adapter. Discover the convenience and versatility of this adapter-reducer, allowing you to enjoy lighting tailored to your needs and preferences with ease.

At FactorLED, we ensure that our products have QUALITY guarantees and provide all the necessary elements for DISTRIBUTION, IMPORT, or WHOLESALE, including the technical specifications of each LED product.
