### Product description:

LED Wall Light for Indoor and Outdoor Use IP65 for GU10

The **LED Wall Light for Indoor and Outdoor Use IP65 for GU10** is the perfect solution for those seeking versatility, modern design, and functionality in one product. With compact dimensions of **100x68x78 mm**, this fixture is ideal for any space, whether indoors like living rooms, hallways, or staircases, or outdoors like terraces, gardens, or entrances. Its elegant and minimalist design makes it a decorative element that adds a touch of sophistication to any setting.

Thanks to its **IP65** protection rating, the light is completely dust-tight and water-jet resistant, ensuring excellent performance in weather-exposed areas. It is designed for **GU10** bulbs (sold separately), allowing customization of light temperature and type to meet specific space requirements.

### Main uses of the product:

- Decorative lighting:** Perfect for highlighting architectural details, textured walls, or decorative plants, both indoors and outdoors.
- Functional lighting:** Useful for passage areas like entrances, stairways, or corridors, providing efficient and focused light.
- Security lighting:** Ideal for illuminating entrances or outdoor patios, enhancing visibility and safety at night.
- Professional spaces:** Suitable for commercial spaces like cafés, hotels, or shops, offering a professional and modern design.

The option to use GU10 LED bulbs with different features (like warm or cool lights) provides unique flexibility to adapt lighting to the desired ambiance.

With its compact design and easy installation, this LED wall light is an ideal choice for those seeking efficient lighting, modern design, and durability in a single product. Its long-lasting build and adaptability make it an excellent investment for any lighting project.

Brighten your spaces with this LED wall light and enjoy quality lighting tailored to your needs!

In Factorled we ensure that our products are guaranteed **QUALITY** and offer all the necessary elements for **DISTRIBUTION, IMPORT OR WHOLESALE**, including the technical data sheet of each LED product.
