Product description:

LED Downlight 40W - Philips Certa Drive- CCT - UGR17 - IP54 - Circular

Our Philips CertaDrive downlight with 40W output is characterised by its easy handling, providing precise and customised lighting in any interior space.

In addition, with its high UGR you will not have problems with glare, as it has a low glare index UGR17.

SELECTABLE COLOUR: Our downlight has a colour temperature selector, allowing you to choose between cool white -6000K-, neutral white -4000K- and warm white -3000K-.

Thanks to its colour selection system, you can adapt it to the needs of your business or your home, choosing the desired colour for each room or hall.

The high-efficiency light source with SMD2835 technology delivers high luminosity and will perfectly replace traditional bulbs, providing savings of more than 80%.

With its functional design, it is quick and easy to install.

Its high colour rendering index +92 guarantees natural colour rendering.

Its aluminium body is specifically designed so that the temperature of the LED is optimal and to achieve the best performance and durability.

The front of the luminaire is IP54 so it can also be used in wet areas such as bathrooms and in outdoor areas under cover.

Its reflector, made of technical polycarbonate, creates a high quality, uniform and spotless light.
