### Product description:

LED Ceiling Fan MUSTANG - 76W - 3000K - IP20

**Fan** with **AC motor** and **127cm** diameter, with metal body and white **ABS** blades that surround the motor. Includes two **installation** posts and **timer** on the control.

Thanks to its **Reverse System**, the fan has **two functions**, **summer/winter** option, with this mode the engine reverses the rotation of the blades getting to dissipate the hot air in summer and evenly distribute the hot air from the heating in winter, which improves the thermal sensation and optimizes the operation of the heating.

All our fans use the best technology to achieve optimum performance. Its **silent system** makes it work without causing uncomfortable noises in the environment.
