### Product short description:

Ceiling bracket, wall and ceiling rose, for pendant lamps and wall lights. Made of aluminium. Composed by the base, a rear metal bridge and two screws for a correct fastening. It incorporates a hole that allows the passage of decorative electrical cables with a maximum section of 2x1.5mm, as well as prisoners or cable glands.

Can also be used as a base for a wall light. Ideal for concealing electrical connections and giving a decorative finish to luminaires. Easy assembly and mounting

### Product description:

Surface rosette for ceiling lamps - White - Black - Silver

Discover the Surface Rosette for ceiling lamps: the perfect solution to enhance your spaces with style and functionality. Available in three elegant colors - White, Black, and Silver - this versatile accessory allows you to easily install hanging lamps and wall sconces.

It is used to cover the electrical connection on the ceiling and provide a sturdy support for hanging decorative lamps. It can also serve as a base for wall sconces, offering an aesthetic and functional solution for lamp installation in different interior spaces.

Manufactured with high-quality materials, the rosette is composed of a solid steel base, a robust metal backplate, and two screws for a flawless fixation. Moreover, its intelligent design incorporates a practical hole that allows decorative electrical cables to pass through with a maximum section of 2x1.5mm, as well as studs or cable clips.

Not only that, it also serves as a base for wall sconces, providing a versatile option for interior decoration. Goodbye to unsightly electrical connections! This rosette is the ideal solution to hide them and give a decorative finish to your luminaires.

Assembling and installing it is a breeze. Forget about complicated installations, thanks to its easy assembly, you'll be enjoying exquisite lighting in no time.

This type of rosette is used in homes, offices, shops, restaurants, hotels, and other places where an elegant and secure installation is required for hanging lamps or wall sconces.

Make your lamps stand out with the Surface Rosette for ceiling lamps. Elevate your decoration and enjoy perfect and elegant lighting. Add a touch of sophistication to your spaces with this essential accessory!

At FactorLED, we ensure that our products have QUALITY guarantee and offer all the necessary elements for DISTRIBUTION, IMPORT, or WHOLESALE, including the technical data sheet of each LED product.
