Product description:

Housing WHITE adjustable double for lamp LED MR16 GU10

The Rectangular Adjustable Rectangular Frame for two GU10 MR16 LED Bulbs is specially designed for 2 GU10 / MR16 LED bulbs. It stands out for its discreet and tilting design that allows you to enhance the decoration of any space by focusing on the desired light point. Ideal for new construction or for the replacement of spotlights, its main applications are in the home, offices, supermarkets, receptions, museums, bars, etc...

All its material is made of aluminium with a white finish, which makes this ring a very resistant product and therefore has a great durability, making it a stainless steel ring.

It is ideal for home spaces such as kitchens, bathrooms, porches and also in offices, hypermarkets, or any event area where you need to recreate select environments.

In FactorLED we ensure that our products have QUALITY guarantee and offer all the necessary elements for DISTRIBUTION, IMPORT or WHOLESale, including the technical data sheet of each LED product.
