Product description:

White Circular LED Pendant Lamp - 77W - SPACE VENUS - 120cm

Its simple, clean, and elegant design is suitable for decorating hallways, kitchens, offices, and/or commercial spaces, among others. The LED luminaire measures 120cm in diameter. It has a high-resistance 24-volt power supply from the prestigious ECOLED brand, which increases the life of the LED luminaire.

Its effective SMD2835 high-luminosity diode allows it to deliver a uniform light throughout the panel, giving a spectacular design decorative effect.

The luminaire is made entirely of extruded aluminum, which improves the dissipation of the LED diodes.

With its immediate and flicker-free start-up system, this LED pendant light is ideal for places where you want to maximize the illuminated space, projecting light evenly and without glare.

The lacquer of the luminaire is of high resistance and quality and is textured Black and White - Qualicoat- - with a thickness of 15 microns for a long useful life.
