

Commercial Floor - 3D Effect - InfinityLED STARS - 1 m2

Product code:

Reference: 7931

Technical specifications:

REFERENCE: 7931
Rated Power : 80W
Nominal Voltage: 85V-265V
Colour: Golden
Construction Material: Steel + ABS
Number & Type of LEDs: 30x10w LED
Certifications: CE - ROHS
IP : IP55
Diode Life Expectancy (H): 50.000
Dimensions (mm): 500X500xH70mm
Frequency (Hz): 50/60Hz
Temperature Range (°C): -20°C ~ +55°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Energy Rating (2021-UE-2019/2015): A++
Energy Rating (2023 - UE-2019/2015): D
Warranty Years: 3

Product short description:

Light up your events with the **3D-LED Floor**! Designed to impress, its **STARS effect in infinite gold** creates a unique visual spectacle. Its **LEDs synchronized with the music** transform any space into an immersive experience. **Durable, portable, and easy to install**, it's perfect for **weddings, parties, nightclubs, and commercial events**. **Make every moment shine with this floor that takes fun to the next level!**

Product description:

Commercial Floor - 3D Effect - InfinityLED STARS - 1 m2

Transform any event with our innovative **3D-LED Floor with Mirrors**, designed to create a **stunning golden star effect with infinite depth**. Built with a robust structure and high-quality materials, this floor combines **durability and elegance**, supporting up to **600 kg/m²** thanks to its **10 mm tempered glass cover**.

Its advanced lighting technology delivers a unique immersive experience, synchronizing with music and the surrounding environment. Each square meter consists of **four 50x50 cm modules**, alternating between **solid and infinite effect** to prevent dizziness and enhance visual impact.

Ideal for **weddings, parties, nightclubs, fairs, and commercial events**, its modular design allows for quick assembly and easy transport. The controller is sold separately for full customization.

Key Features:

- Stunning design: golden star effect with infinite reflection
- High durability: made with strong materials for intensive use
- Easy installation: modular system for hassle-free assembly
- Portable and versatile: lightweight and easy to transport, perfect for temporary and permanent setups
- Dynamic effect: vibrant lighting that transforms the ambiance and creates a magical atmosphere

Uses and Applications:

- Weddings and social events: create a dazzling dance floor for unforgettable moments
- Nightclubs and bars: add a futuristic and eye-catching touch to the dance area
- Corporate events and presentations: enhance brand image with an innovative stage
- Exhibitions and fairs: attract visitors with impressive visual effects
- Stores and shopping malls: ideal for VIP areas, showcases, and special promotions

Perfect for those looking for **innovation and exclusivity**, the **LED Star Effect Floor** takes entertainment and elegance to the next level.

At FactorLED, we ensure that our products have a guarantee of **QUALITY** and offer all the necessary elements for **DISTRIBUTION, IMPORT, or WHOLESALE** sales, including the technical specifications of each LED product.
