

Solar LED Garden Spike Light - RGB+CCT - IP65

Product code:

Reference: 91702

Technical specifications:

REFERENCE: SGL-CCTRGRB-91702

Rated Power : 5W

Nominal Voltage: 5.5V DC

Colour: RGB+CCT

CRI - Chromatic Rendiment Index: 80

Construction Material: ABS+PCB

Luminosity-Lm: 150

Number & Type of LEDs: SMD

Beam Angle (°): 36°

Luminous Efficiency (Lm/W): 90Lm/W

Certifications: CE - ROHS

IP : IP65-Outdoor

Diode Life Expectancy (H): 35.000

Dimensions (mm): Lamp size: Ø165x35mm

Material of the Battery: Lithium Battery -LiFeO₄ 3.2V 1200mAH

Download Time: 6-8H

Impact Protection (IK) : IK08

Energy Rating (2021-UE-2019/2015): A++

Warranty Years: 3

Panel Solar: Polycrystalline 5V 1W

Product short description:

The **LED solar garden spike** with **CCT + RGB light** colour is a stylish and modern option that is **solar powered** and emits a pleasant light. Discover the magic of outdoor lighting with RGB Lights plus three shades of white 3000K 4000K, 6000K and elevate your outdoor space to a new level of style and ambience.

With this **outdoor solar spotlight** you can enjoy the flexibility to switch between warm and cool light tones as well as a full range of vibrant colours. Start enjoying it now!

Product description:

Solar LED Garden Spike Light - RGB+CCT - IP65

Transform your **garden** into an oasis of light and color with the captivating **RGB+CCT Solar LED Spike Lights**. Designed to provide a unique luminous experience, these versatile **solar spotlights** are perfect for enhancing the beauty of your **outdoor** space. Their water resistance ensures lasting performance, allowing you to enjoy magical nights under the starry sky.

Description of functions:

1. Rear ON/OFF button: press the button on the back to turn the lamp on and off. It has memory function, so it can memorize the last working mode every time it is turned on.
2. Total **10 colours**: Warm White (3000k), Natural White (4000k), Cool White (6000k), Red, Green, Blue, Cyan, Purple, Sky Blue, White Blue.
3. There are two working modes:
 - A-Changing lights: Ten colours change automatically every 5 seconds.
 - B-Always on with 1 colour: Change colours by touching the lamp body. When changing the mode, the first warm white colour (3000k) is with breathing mode. Wait 5 seconds for the colour to change automatically.

Brilliant Features:

Imagine being able to customize your garden's lighting according to your mood or the occasion. The RGB+CCT Solar LED Spike Lights offer you the freedom to choose from a wide range of colors and light temperatures, from warm and cozy tones to vibrant bursts of color. These versatile spotlights let you create unique atmospheres with just the press of a button.

Durability Above All:

Rain or shine, the Solar LED Spike Lights are water-resistant with an **IP65** rating, meaning they are designed to withstand various weather conditions. Whether it's winter or summer, you can trust these solar spotlights to maintain their quality and performance, providing you with reliable lighting at all times.

Sustainability in Every Beam of Light:

In addition to their astonishing performance, the Solar LED Spike Lights are environmentally friendly. By harnessing **solar energy**, they help you reduce your carbon footprint while illuminating your garden. Forget about cables and electricity bills, and embrace a sustainable option that contributes to planet conservation.

Easy Installation:

Notice: Product subject to change without prior notice. Ensure to use the most recent technical datasheet.

Technical Datasheet

Installing the Solar LED Spike Lights is quick and easy. With their intelligent and compact design, you can place them anywhere in your garden without complications. Whether it's on the lawn, a stone path, or around shrubs, these spotlights seamlessly integrate into any environment.

Create a Magical Setting:

Imagine the magical nights that await you with the RGB+CCT Solar LED Spike Lights. Whether it's for an intimate outdoor dinner, a gathering with friends, or simply relaxing under the stars, these lights will transform your garden into a dreamy setting, brimming with color and charm.

Bring your garden to life with the lighting it deserves. Discover the beauty of the RGB+CCT Solar LED Spike Lights and experience the enchantment of light and color in every corner. Click to get yours today and start creating unforgettable moments in your outdoor space!

At FactorLED, we ensure that our products come with **QUALITY** assurance and offer all the necessary elements for **DISTRIBUTION**, **IMPORTATION**, or **WHOLESALE** sales, including the technical specifications of each LED product.
