

Wall Light - Ceiling Light - LED - 18W - LUND - Selectable CCT Color - IP65

Product code:

Reference: LBH18W-CCT-91240

Technical specifications:

REFERENCE: 0518N-MPL7J
Rated Power : 18w
Nominal Voltage: 220-240 V AC
Colour: SELECTABLE COLOUR: 3000K-4000K-6000K
CRI - Chromatic Rendiment Index: 80
Construction Material: Aluminium+PC
Luminosity-Lm: 1800
Number & Type of LEDs: SMD 2835
Beam Angle (°): 120°
Luminous diode LED (Lm/W): 130Lm/W
Luminous Efficiency (Lm/W): 100 Lm/W
Certifications: CE - ROHS
IP : IP65-Outdoor
Dimensions (mm): Ø222mm
Frequency (Hz): 50/60Hz
Temperature Range (°C): -20°C ~ +55°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Energy Rating (2021-UE-2019/2015): A+
Energy Rating (2023 - UE-2019/2015): F
Warranty Years: 3

Product short description:

Looking to transform your spaces with lighting that's more than just bright? Prepare to be amazed! Introducing our **LED luminaire**, which can be placed as a **wall light**, and at the same time as a **ceiling light - 18W** - with the innovative **CCT Color Selectable** function and an **IP65** protection rating, so it can be used both indoors and outdoors, it is perfect for humid and high salinity areas.

Maximum efficiency and durability as it is made of high quality PC, perfect for coastal and high light areas. Buy it now and start saving!

Product description:

LED Luminaire: Wall Sconce / Ceiling Light - 18W - LUND - Selectable CCT Color - IP65

Discover the Lighting Revolution: Your Choice for Elegance and Comfort

Are you looking to transform your spaces with lighting that's more than just brilliant? Prepare to be amazed! Introducing our **LED luminaire** with the innovative **CCT function: Color Selectable** and an **IP65** protection rating. It's not just a product, it's a luminous experience that connects you to the perfect ambiance every time.

Customize your Luminous World to your liking.

Imagine having complete control over the atmosphere of your spaces. Our LED Luminaire is equipped with **light color selection** switch, with which to change from a **warm, natural or cool tone**. What does this mean for you? It means that you have total and absolute control over the atmosphere of your spaces. You can choose between a warm, neutral or cool tone - you decide what color to put in your spaces!

All Weatherproof Design: Made of High Quality Polycarbonate

Our LED luminaire has been created with one purpose: to transcend. Its high-quality polycarbonate (PC) construction not only ensures smooth, even illumination, but it's also a smart choice for coastal and high-humidity areas. The advantage? PC is resistant to the ravages of the environment, from corrosion to the effects of extreme weather. Your investment in the LED Luminaire translates into years of flawless brightness.

Long-Lasting Performance: A Smart Investment

Durability is not a feature, it's a commitment. The LED Luminaire is designed to exceed your expectations and withstand daily wear and tear without losing any of its luster. Every component has been meticulously selected to deliver consistent, reliable performance. Save on frequent replacement costs and enjoy the peace of mind of lighting that is always up to the task.

Where Elegance Meets Functionality: Infinite Applications

This lighting master is perfect for a wide range of environments. Transform your living room into an oasis of relaxation, turn your study into a space of inspiration, or bring your garden to life with mesmerizing luminosity. Plus, its **IP65** rating means it can be installed indoors and outdoors without worry, bringing perfect brightness to every corner of your life.

Notice: Product subject to change without prior notice. Ensure to use the most recent technical datasheet.

Click and Transform Your Lighting Experience Today

Don't settle for ordinary lighting. Elevate your spaces to new heights with our LED luminaire. Your opportunity to create unique and captivating environments is just a click away. Take advantage of CCT's Color Selectable functionality, durable high quality Polycarbonate design and unparalleled durability.

Uses of 18W LED Ceiling Light - LUND - CCT Color Selectable - IP65 **Illuminated Versatility: Places where the LED Luminaire will shine:**

The LED Luminaire is an exceptional lighting solution that adapts to a wide range of spaces, providing a unique and pleasing atmosphere. Here are some ideas of where you could place this luminous, energy-saving marvel:

- **Cozy Home:** Elevate the aesthetics of your living room, dining room or bedroom with the LED Luminaire. Control the intensity and color of the light to create the perfect atmosphere depending on the time of day or mood.
- **Productive Workspaces:** Whether in your home office or professional work environment, this luminaire adapts to your needs. Neutral light is ideal for maintaining concentration, while warm light adds comfort.
- **Relaxation Haven:** Place the LED Luminaire in your bathroom to create a private spa in your home. Its moisture resistance ensures that it will continue to glow even in wet conditions.
- **Luminous Kitchen:** Install it in your kitchen to enjoy bright, crisp illumination while cooking or sharing meals with loved ones.
- **Stores and Boutiques:** Highlight your products and attract customers with lighting that enhances colors and details. LED Luminaire can be the perfect touch for captivating displays.
- **Restaurants and Cafeterias:** Create an intimate and cozy atmosphere in your establishment. Change the color temperature according to the time of day to establish the ideal environment for your customers.
- **Gardens and Terraces:** Bring brightness to your outdoor spaces. The LED Luminaire is weather resistant, making it the perfect choice for illuminating your garden, patio or terrace.
- **Reception and Lobby Areas:** Leave a lasting impression on your visitors and guests with lighting that combines elegance and functionality at the entrance of your home or office.
- **Galleries and Exhibitions:** Use the LED Luminaire to enhance artwork and exhibits in cultural spaces. Adjust the light according to the needs of each piece.
- **Innovative Showcases:** If you have a store or business with shop windows, this luminaire allows you to experiment with different shades of light to attract passersby and showcase your products in an attractive way.

In Factorled we ensure that our products have QUALITY guarantee and offer all the necessary elements for DISTRIBUTION, IMPORT or WHOLESALE, including the technical data sheet of each LED product.
