

## Wall Light LED - 15W - MOON - Selectable CCT Color - IP65

### Product code:

Reference: LWL15W-CCT-91247

### Technical specifications:

REFERENCE: LWL15W-CCT-91247  
Rated Power : 15w  
Nominal Voltage: 220-240 V AC  
Colour: SELECTABLE COLOUR: 3000K-4000K-6000K  
CRI - Chromatic Rendiment Index: 80  
Construction Material: PC  
Luminosity-Lm: 1500  
Number & Type of LEDs: SMD 2835  
Beam Angle (°): 120°  
Luminous diodo LED (Lm/W): 130Lm/W  
Luminous Efficiency (Lm/W): 100 Lm/W  
Certifications: CE - ROHS  
IP : IP65-Outdoor  
Diode Life Expectancy (H): 35.000  
Dimensions (mm): Ø220 x H47mm  
Frequency (Hz): 50/60Hz  
Temperature Range (°C): +40°C ~ -20°C  
On/Off Cycles: 100.000  
Starting Time (s): 0,2s  
Energy Rating (2021-UE-2019/2015): A+  
Energy Rating (2023 - UE-2019/2015): F  
Warranty Years: 3

### Product short description:

Are you looking to transform your spaces with lighting that is more than just bright? Get ready to be amazed! Introducing our **9W LED wall lamp -MOON-** with the innovative **CCT Color Selectable** feature and an **IP65** protection rating, for use both indoors and outdoors.

Maximum efficiency and durability as it is made from high-quality PC, perfect for use in indoor and high-humidity coastal areas with high salinity. Buy it now and start saving!

### Product description:

Wall Light LED - 15W -MOON- CCT: Selectable Color - IP65

Discover the Lighting Revolution: Your Choice of Elegance and Comfort

Are you looking to transform your indoor or outdoor spaces with lighting that's more than just brilliant? Prepare to be amazed! Introducing our **Circular LED Wall Light** with innovative **CCT: Color Selectable function** and an **IP65** protection rating. It's not just a product, it's a lighting experience that connects you to the perfect ambiance every time.

#### Customize Your Bright World to Your Liking

Imagine having absolute control over the atmosphere of your spaces. Our LED luminaire is equipped with a light color selection switch. What does this mean for you? It means you have total and absolute control over the atmosphere of your spaces. You can choose between a warm, neutral, or cool tone. You decide what color to bring to your spaces!

#### Built to Withstand Everything: Made of High-Quality Polycarbonate

Our LED luminaire was created with a purpose: to transcend. Its construction in high-quality polycarbonate (PC) not only ensures even and soft lighting but is also a smart choice for coastal and high-humidity areas. What's the advantage? PC is resistant to the ravages of the environment, from corrosion to the effects of extreme weather. Your investment in the LED Luminaire translates into years of impeccable brightness.

#### Long-Lasting Performance: A Smart Investment

Durability is not a feature; it's a commitment. The LED Luminaire is designed to exceed your expectations and withstand daily wear and tear without losing any of its brilliance. Each component has been meticulously selected to provide consistent and reliable performance. Save on frequent replacement costs and enjoy the peace of mind of lighting that always delivers.

#### Where Elegance Meets Functionality: Endless Applications

This master of lighting is perfect for a wide range of environments. Transform your living room into a relaxation oasis, convert your studio into an inspirational space, or bring your garden to life with fascinating brightness. Furthermore, its IP65 rating means it can be installed indoors and outdoors without worries, bringing perfect brightness to every corner of your life.

Notice: Product subject to change without prior notice. Ensure to use the most recent technical datasheet.

## Click and Transform Your Luminous Experience Today

Don't settle for ordinary lighting. Elevate your spaces to new heights with our LED luminaire. Your opportunity to create unique and captivating atmospheres is just a click away. Take advantage of the Selectable Color CCT functionality, the resilient design of high-quality polycarbonate, and unmatched durability.

Uses of LED Wall Light 15W - MOON - CCT Color Selectable - IP65

### Illuminated Versatility: Places Where the LED Luminaire Will Shine:

The LED Luminaire is an exceptional lighting solution that adapts to a wide range of spaces, creating a unique and pleasant atmosphere. Here are some ideas of where you can place this luminous and energy-saving marvel:

- Cozy Home: Enhance the aesthetics of your living room, dining room, or bedroom with the LED Luminaire. Control the intensity and color of the light to create the perfect atmosphere according to the time of day or mood.
- Productive Workspaces: Whether in your home office or a professional work environment, this luminaire suits your needs. Neutral light is ideal for maintaining concentration, while warm light adds comfort.
- Relaxation Retreat: Place the LED Luminaire in your bathroom to create a private spa at home. Its moisture resistance ensures it will continue to shine even in humid conditions.
- Shops and Boutiques: Highlight your products and attract customers with lighting that enhances colors and details. The LED Luminaire can be the perfect touch for captivating displays.
- Restaurants and Cafes: Create an intimate and welcoming atmosphere in your establishment. Adjust the color temperature according to the time of day to set the ideal mood for your customers.
- Gardens and Terraces: Bring brightness to your outdoor spaces. The LED Luminaire is weather-resistant, making it the perfect choice for illuminating your garden, patio, or terrace.
- Reception Areas and Lobbies: Leave a lasting impression on your visitors and guests with lighting that combines elegance and functionality at the entrance of your home or office.
- Galleries and Exhibitions: Use the LED Luminaire to enhance artwork and exhibitions in cultural spaces. Adjust the light according to the needs of each piece.
- Innovative Storefronts: If you have a store or business with storefronts, this luminaire allows you to experiment with different shades of light to attract passersby and display your products attractively.

At Factorled, we guarantee that our products are of QUALITY and provide all the necessary elements for DISTRIBUTION, IMPORTATION, or WHOLESALE, including the technical specifications of each LED product.
