

6W Downlight LED - DIRECTIONAL PERISCOPIC - Circular - CCT Selectable Color

Product code:

Reference: LSPL6W-CCT-91266

Technical specifications:

REFERENCE: 1419A-SL34-CIRCULAR
Rated Power : 6w
Nominal Voltage: 220-240V
Colour: 3000K-4200K-6500K
CRI - Chromatic Rendiment Index: 80
Construction Material: PC Fireproof
Luminosity-Lm: 600 Lm
Number & Type of LEDs: COB
Beam Angle (°): 30°
Dimmable: No
Certifications: CE - ROHS
IP : IP40
Diode Life Expectancy (H): 25000
Dimensions (mm): Ø90xH60mm
Frequency (Hz): 50/60Hz
Temperature Range (°C): -20°C ~ +50°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Cut-out Size (mm): Ø 70mm
Glare Rating (UGR): 19
Driver included: YES
Energy Rating (2021-UE-2019/2015): A+
Energy Rating (2023 - UE-2019/2015): F
Warranty Years: 3

Product short description:

Are you ready to transform your space into an oasis of light and elegance? Introducing the **LED6W DIRECTIONAL PERISCOPIC recessed downlight**, a jewel of lighting that will illuminate your moments in a unique way. Turn every corner of your home or office into a stage where the light adapts to your needs and desires. Discover why this **Adjustable LED Recessed** has become the number one choice of those who seek perfection in lighting and it is also fully adjustable!

It stands out because it can **rotate 360° and rotate 90°** getting to give a lighting to any space of interest. **CCT** technology, the white **light** can be selected in **Warm, Neutral and Cool**. Easy assembly and installation.

Product description:

LED Downlight 6W - PERISCÓPICO DIRECCIONABLE - Circular - CCT Color Selectable Color

Are you ready to turn your environment into a paradise of brightness and sophistication? Introducing the **recessed LED 6W**, a true masterpiece of lighting that will beautify your moments in an unparalleled way. Transform every corner of your home or office into a stage where the light adjusts to your needs and preferences. Discover why this **Adjustable LED Downlight** has conquered the hearts of those who seek excellence in lighting.

Perfect Brightness and Direction:

Our 6W LED downlight is not just another one on the market. Its **periscopic directional** design allows you to direct the light exactly where you need it, it **rotates 360°** and has a **90° rotation** to adjust it according to the needs of each space. No more uncomfortable shadows or poorly lit areas - create the perfect atmosphere by simply adjusting the direction of the light!

Perfect 30-degree angle of light and full orientation:

If you want to highlight particular elements in a room or area, such as a piece of artwork, a display case or a work area, a 30-degree angle allows you to concentrate the light on that object, creating a highlighting effect.

Full orientation allows you to customize the direction and angle of the light according to your personal preferences. This is especially useful in spaces where multiple activities take place. By being able to aim the light directly at specific areas or elements, you can eliminate unwanted shadows and ensure that the **lighting is uniform and effective**.

In versatile spaces or spaces that have different uses, such as a living room that doubles as an office, full aiming allows you to tailor lighting to various needs.

Colors to suit your taste:

Bored with cold or warm light? Our LED downlight allows you to choose the color of light that suits you best. With **CCT Color Selectable** technology, you can choose between **warm light, cool light or natural light**. From cozy light for a romantic dinner to bright light for work, this downlight adapts to your needs in an instant.

Technical Datasheet

Outstanding Energy Efficiency:

With a power of only **6W**, this **LED downlight** is an energy-efficient powerhouse. Despite its low energy consumption, it provides bright, crisp illumination with a light angle of 30 degrees. Goodbye high electricity costs and hello to a more environmentally friendly energy bill.

Unmatched Durability:

Made from polycarbonate (PC), this LED downlight is tough and durable. Its high quality construction ensures that it will last for years without losing its splendour. No more worrying about replacing bulbs or luminaires frequently.

Simple installation:

Installation of this LED recessed downlight is child's play, the **essential** thing is to make the **cutout** in the **ceiling** if you don't already have it with the measurements indicated to be able to recess it. It comes with all the instructions and necessary parts, so you can have it up and running in minutes, no need to hire an electrician, just remember to turn off the power whenever you do any electrical assembly!

Uses of the 6W LED Downlight - DIRECTIONAL PERISCOPIC - Circular - CCT

The 6W LED downlight is as versatile as it is powerful. You can use it in a variety of environments:

- In your home: Beautify your living room, kitchen, bedroom or any other space with this stylish and functional fixture. Adjust the color of the light to create the perfect atmosphere at any time.
- In your office: Boost your productivity and create an optimal work environment with bright white light on your desk or work area.
- In stores and stores: Highlight your products and attract customers with crisp, attractive lighting.
- In restaurants and bars: Create a cozy or lively atmosphere depending on the occasion, all with a single LED downlight.
- In commercial spaces: Whether it's a showroom, art gallery or anywhere else, this fixture will add a special touch to your space.

In short, the **6W LED downlight** with **CCT** is the perfect lighting companion that gives you control, efficiency and durability. Add a touch of style to your environment and experience next generation lighting, don't wait any longer to make this marvel of lighting technology yours! Transform your spaces and create the perfect ambiance with just one click.

At FactorLED we ensure that our products have **QUALITY** guarantee and offer all the necessary elements for **DISTRIBUTION, IMPORT** or **WHOLESALE**, including the technical data sheet of each LED product.
