Product short description:

Our LERUM **LED wall lamp** offers multiple styles for all types of decoration, stands out for its **black** color and has been manufactured in high strength **aluminum**. The **wall lamp** needs a **bulb** with **E27** socket for proper operation. Also thanks to its **natural wood base** is ideal for placement in any indoor area creating warm and modern environments, if you add a Filament bulb is achieved a relaxing and vintage lighting.

Its cone-shaped **lampshade** has an opening of **120°**, managing to distribute the light evenly getting to illuminate more space. The **installation** is very **simple** and quick so that anyone can assemble it following the instructions.

The product does NOT include bulb, to check our E27 bulbs access through the button:

[E27 LED BULB](#)

Product description:

LERUM Black Led Wall Light with Wooden Base for E27 bulb Modern and natural lighting for any space

The **Black Led wall** light with **wooden base** for **E27** bulb is a modern and natural option for any interior space. Its minimalist and timeless design adapts to any decorating style, from classic to modern. The **lampshade** has a cone shape with an opening of **120°**, to distribute the light evenly and to illuminate more space.

The wall lamp is made of high quality aluminum and wood, with a **matte black** finish that gives it a modern and sophisticated look. The wooden base adds a natural and warm touch to the design. Both the lampshade and its accessories are matte black, respecting the main color of this **wall lamp**.

The wall lamp accepts bulbs with **E27 socket**, so you can choose the one that best suits your lighting needs. Filament bulbs are an ideal choice, as they recreate warm and pleasant environments giving rise to a vintage design.

Features:
