

## 50W LED Floodlight RGB+W DOB IP65

### Product code:

Reference: 91865

### Technical specifications:

REFERENCE: 91865  
Rated Power : 50w  
Nominal Voltage: 220-240 V AC  
Colour: RGBW  
CRI - Chromatic Rendiment Index: 80  
Number & Type of LEDs: SMD 5050  
Beam Angle (°): 120°  
Dimmable: YES  
IP : IP65-Outdoor  
Diode Life Expectancy (H): 50.000  
Dimensions (mm): 226\*255\*40mm  
Power Factor (PF): 0.88  
Temperature Range (°C): -20°C ~ +55°C  
On/Off Cycles: 100.000  
Starting Time (s): 0,2s  
Other Information: DOB  
Control modes: REMOTE CONTROL  
Driver included: YES  
Warranty Years: 3  
Range (m): 8 m.

### Product short description:

Light up your spaces with the **50W RGB+W LED Spotlight**! Featuring LED technology and a powerful integrated On Board Driver, this spotlight offers vibrant and efficient illumination. Its IP65 rated rugged design makes it perfect for outdoor use. Customize your environments with the versatility of the RGB spectrum and the purity of white, all in one spotlight.

Highlight your events, gardens or facades with this powerful lighting solution!

### Product description:

RGB+W LED Floodlight 50W DOB IP65

Be amazed by the magic of lighting with our RGB+W LED 50W DOB IP65 RGB+W Spotlight! This extraordinary spotlight is designed to take the illumination of your spaces to the next level, providing a unique and captivating visual experience.

With a power of 50W, this spotlight offers exceptional brightness that will transform any environment. Its RGB+W technology allows you to immerse yourself in a full spectrum of colors, from vibrant hues to pure white, providing impressive versatility to suit any occasion. Whether it's outdoor events, highlighting the architecture of your home or creating magical garden settings, this spotlight is the perfect tool to bring your lighting ideas to life.

The **DOB (Driver on Board)** technology not only ensures stable and efficient performance, but also contributes to the durability of the product. Its compact design and easy installation make it accessible to anyone, regardless of their level of lighting experience.

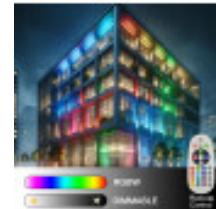

The **IP65** rating gives this **spotlight** exceptional resistance to water and dust, ensuring flawless operation even in adverse weather conditions. This level of protection makes it the ideal choice for outdoor spaces, where reliability is essential.

Transform your outdoor events into unforgettable experiences, highlight the beauty of your garden or create a cozy atmosphere on your terrace with our **RGBW LED floodlight 50W DOB IP65**. You will not only be investing in lighting, but also in creating captivating atmospheres that will leave all your guests in awe, discover the power of light with this exceptional floodlight!

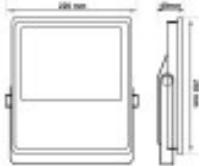

In FactorLED we ensure that our products have **QUALITY** guarantee and offer all the necessary elements for **DISTRIBUTION**, **IMPORT** or **WHOLESALE**, including the technical data sheet of each LED product.
