### Product short description:

**VINTAGE NICKEL pendant lamp** that brings a retro touch to any space. Its 'vintage' design makes it perfect to be combined with LED Filament bulbs from our website, as its structure allows to show the beauty of this type of bulbs so original. Bring personality and make a difference in the **decoration of your rooms and fashionable places** with this family of pendant lamps.

**\* Cable adjustable in height**

### Product description:

Pendant Lamp - VINTAGE NICKEL - for E27

**VINTAGE NICKEL Pendant Lamp for E27** has a very simple design but with a very characteristic **vintage-industrial style**.

Perfect for all types of spaces, it combines wonderfully with LED filament bulbs. Obviously, the light it emits will depend on the bulb we install. This **allows us to fully customize the type of lighting we want for each particular environment**, from the most powerful light to the most subtle, depending on the needs of each space.

LED lighting elements such as the pendant lamp allow us to create cozy spaces that give life to every corner of the room. **We can use it alone or combine several lamps at different heights**, creating a very attractive set visually.

Thanks to its IP20 protection, it is perfect for indoor use.

**\* Bulb NOT INCLUDED**
