

## LED Strip 24V RGB COB | 5m | 672LED/m | 15W/m | IP20 | Cut 3,3cm

### Product code:

Reference: SP672D-15W-RGB-91863

### Technical specifications:

REFERENCE: SP672D-15W-RGB-91863  
Rated Power : 15w  
Nominal Voltage: 24V DC  
Colour: RGB  
Construction Material: PCB  
Beam Angle (°): 120°  
Certifications: CE - ROHS  
IP : IP20  
Diode Life Expectancy (H): 35.000  
Dimensions (mm):  
Frequency (Hz): 50/60Hz  
Temperature Range (°C): -20°C ~ +55°C  
On/Off Cycles: 100.000  
Energy Rating (2021-UE-2019/2015): A+  
Warranty Years: 3

### Product short description:

Discover our **RGB COB LED Strip Light 15W!** It offers a full spectrum of vibrant colors, with 5W in red, 5W in green, and 5W in blue, allowing you to **create personalized** and lively environments. **With 672 diodes per meter** and an efficiency of **140 Lm/W**, this strip provides bright and energetic lighting.

**Possibility of cutting every 3,3 cm.** Its IP20 design makes it ideal for indoor applications, where you can enjoy intense colors and easy installation. Comes with a 3M adhesive tape for easy attachment to any surface.

### Product description:

LED Strip 24V RGB COB | 5m | 672LED/m | 15W/m | IP20 | Cut 3,3cm

Discover the magic of our **15W COB RGB LED Strip** and transform your environment in style! With an efficiency of **140Lm/W** and **672 diodes per metre**, this strip provides bright and energetic lighting that will captivate your senses. With 5W in Red, 5W in Green and 5W in Blue, you can immerse yourself in a vibrant colour palette that will elevate the atmosphere of any space. In addition, its design allows it to be cut every 3,3cm, giving you the flexibility to adapt it to your lighting and design needs.

Ideal for indoor applications thanks to its IP20 design, you can enjoy vivid colours and easy installation in any environment. It also comes with a **3M adhesive strip** for easy attachment to any surface, making it even more versatile and practical to use.

Explore new lighting possibilities and create unique, personalised environments with our 15W COB RGB LED RGB LED Strip - bring your space to life with vibrant colours and positive energy!

Highlighted benefits of the 24V RGB COB LED Strip 5M

**Unlimited customisation:** The RGB COB RGB LED Strip allows for total customisation thanks to its ability to cut every 3,3cm. Adapt it to the exact length you need for your lighting projects, from decorative details to more extensive applications.

**Powerful brightness and energy efficiency:** With a total power of 15W and 24V power supply, this strip offers a powerful and crisp brightness, ensuring intense illumination wherever you need it. Plus, its energy efficiency allows you to enjoy spectacular lighting without worrying about excessive power consumption.

**Tough, durable design:** The IP20 rating of the strip ensures its suitability for indoor use, protecting the LEDs and ensuring long-lasting performance. Its rugged design gives you the confidence of a reliable and long-lasting lighting solution.

**Easy installation:** Thanks to its practical design, the RGB COB RGB LED Strip is easily installed on any flat surface. Whether it's to highlight specific areas in your home, create a festive atmosphere or enhance the lighting in your workspace, installation will be quick and hassle-free.

**Versatile uses:** From enhancing the décor at special events to creatively illuminating your living room, this LED strip adapts to a variety of uses. Its versatility gives you the freedom to explore and experiment with lighting in different contexts.

Highlighted uses and applications of the 24V RGB COB LED Strip 5M

**Ambient Lighting:** Create a welcoming and personalised ambience in your home, highlighting specific areas with the perfect blend of colours.

**Parties and Events:** Add a festive touch to your celebrations with dynamic, eye-catching lighting effects that are sure to leave a lasting impression.

**Interior Design:** Bring your interior design projects to life by highlighting architectural features or accentuating decorative elements with light.

# Technical Datasheet

**Signage and Display:** Use the strip to create illuminated signs, eye-catching displays or to highlight products in shop windows.

**Light Art Creation:** Express your creativity by using the strip to create light art, visual installations or custom decorative effects.

Make every corner a scene of unforgettable colours and experiences with our 15W RGB COB LED Strip! Transform your space and add a modern and vibrant touch - don't wait any longer to light up your life in style!

**\* Power Supply NOT included**

At FactorLED we ensure that our products have a **QUALITY** guarantee and offer all the necessary elements for **DISTRIBUTION**, **IMPORT** or **WHOLESALE**, including the technical data sheet of each LED product.
