Product description:

LED Table Lamp 3.5W - Ambient Light - RGB DIGITAL + Remote Control + App - 45cm

The 2-Pack LED RGB DIGITAL Table Lamps 3.5W 45cm is the ideal solution for those looking to add a touch of modernity and versatility to their indoor spaces. These innovative lamps are designed to transform any room, providing not only functional lighting but also a decorative element that adds style and personality.

This desk or table lamp stands out with:

1. Built-in MEMS microphone, real-time acquisition of music and ambient sound intensity.
2. The LED strip syncs with the music and features a variety of musical rhythm modes.
3. Infrared remote control (optional).
4. Press the button to change the color and mode.
5. Control via the TuyaSmart app.
6. Works with Amazon Alexa, Google Home, and others.
7. Color control for each group of LED points.
8. The software indicates that the text is based on the language of the configured mobile phone for automatic conversion to Chinese, English, and other local languages.

Composition and Main Features of the LED Table Lamp 3.5W - Ambient Light - RGBW DIGITAL

Features This pack includes two LED bars that offer an impressive variety of colors and lighting effects, thanks to their 5050 RGB digital LED strip. With the ability to choose from 16 million shades, you can adjust the lighting to match your mood or the occasion, fully personalizing your space.

Wide Range of Colors and Effects

The lamps feature an advanced lighting system that allows you to create everything from vibrant, festive environments to calm, relaxing atmospheres. The multiple light modes and effects available give you total control to change the ambience with just a press of a button.

Versatile and Easy-to-Use Control Ease of control is one of the strong points of these lamps. You have four different methods to adjust the lighting according to your preferences:

- Integrated Button: Quick and easy access directly on the lamp.
- Remote Control: Change colors, light intensity, and switch between different lighting modes without leaving your seat.
- Music Control: The lamp syncs with your music, adjusting the lighting to the rhythm of your favorite songs to create a dynamic and energetic atmosphere.
- Bluetooth APP (duoCo stripX): With the duoCo stripX app, available for mobile devices, you can remotely and advancedly control all the lamp's functions from anywhere in your home.

Simple and Quick Installation

Even though the lamps are delivered disassembled, the assembly is extremely simple and quick. You can enjoy your new lighting in less than 5 minutes. Additionally, we include a

Technical Datasheet

detailed manual to guide you step-by-step through the installation process, ensuring that even those with little technical experience can assemble them without difficulty.

Modern and Functional Design With a sleek and minimalist design, these lamps are not only a functional light source but also a decorative element that easily integrates into any decor style. Their compact size of 45 cm makes them perfect for any room, occupying minimal space while offering a broad and effective light spectrum.

Versatile Applications

This lamp is the perfect choice for multiple uses and environments. You can place it in your:

- **Living Room:** Add a splash of color to your common area, creating a cozy atmosphere to relax or entertain guests.
- **Bedroom:** Set the perfect lighting for relaxation or create a romantic ambiance.
- **Game Room or Audiovisual Room:** Enhance your entertainment experience with light effects that react to the action on screen or background music.
- **Gym:** Motivate yourself during workouts with energizing colors that keep your energy and focus high.
- **Workspaces and Offices:** It is capable of adapting the lighting to different activities, such as creative meetings or focus sessions, improving productivity and team well-being.
- **Nightclubs and Bars:** Thanks to the music control function, the lighting can sync with the venue's music, enhancing the sensory experience for customers.

In our online lighting store we promise that our products are of **QUALITY** and offer the necessary elements for **DISTRIBUTION**, **IMPORT** or **WHOLESALE**, including the technical sheet of each LED product.
