

## NeonWall Effect Wall - 3D InfinityLED DEEP - RGB - 1 m<sup>2</sup>

### Product code:

Reference: 7936-WALL

### Technical specifications:

REFERENCE: 7930  
Rated Power : 80W  
Nominal Voltage: 85V-265V  
Colour: RGB  
Construction Material: Steel + ABS  
Number & Type of LEDs: 30x10w LED RGBW  
Certifications: CE - ROHS  
IP : IP55  
Diode Life Expectancy (H): 50.000  
Dimensions (mm): 220x245x65mm  
Frequency (Hz): 50/60Hz  
Temperature Range (°C): -20°C ~ +55°C  
On/Off Cycles: 100.000  
Starting Time (s): 0,2s  
Energy Rating (2021-UE-2019/2015): A++  
Energy Rating (2023 - UE-2019/2015): D  
Warranty Years: 3

### Product description:

NeonWall Effect Wall - 3D InfinityLED DEEP - RGB - 1 m<sup>2</sup>

Transform your spaces with the spectacular NeonWall Effect Wall - 3D InfinityLED DEEP - RGB!

Are you looking for a way to radically transform the decor of your spaces? The NeonWall Effect Wall - 3D InfinityLED DEEP - RGB is the perfect solution for those who want to turn any environment into an immersive, futuristic, and most of all, impressive visual experience!

#### Innovation and Aesthetics: An unparalleled combination

This wall is not just a decorative element, it's a true technological work of art. Its exclusive 3D design with infinity effect creates an optical illusion of depth that fascinates anyone who sees it. The RGB LED system allows full customization of colors, creating light effects in vibrant or more subtle tones, depending on what you need at any given time. Imagine the possibilities: from intense reds that radiate energy to soothing blues that inspire calm. You can adjust everything easily and quickly, adapting the atmosphere to each situation.

#### Create a unique and customizable atmosphere

Thanks to its RGB technology, the NeonWall allows you to experiment with endless color combinations. It is not only ideal for minimalist or modern environments, but it also integrates perfectly into more traditional decorations that seek a touch of innovation and distinction. Personalize your space and change the atmosphere in seconds, simply by choosing the color or sequence that best suits the moment.

#### Durability and energy efficiency

In addition to being visually striking, the NeonWall - 3D InfinityLED DEEP is made from the highest quality materials, ensuring a long lifespan. Its LEDs are not only durable but also energy-efficient, allowing you to enjoy a unique atmosphere without worrying about electricity bills. This product is the perfect blend of design, functionality, and efficiency.

#### Simple and versatile installation

This 1 m<sup>2</sup> panel (made up of 4 modules of 50x50 cm), which can be expanded as needed, is extremely easy to install, meaning you don't need to be an expert to enjoy its incredible effects. Whether you want to cover a single wall or an entire space, its modular installation will allow you to extend the area according to your needs - all without complications!

#### Where to use the NeonWall Effect Wall?

This product is incredibly versatile and can be used in multiple environments:

- Living rooms and lounge areas: transform your living room into a modern and striking setting.
- Creative studios and offices: to inspire and motivate in an innovative environment.
- Shops and commercial spaces: attract your customers with a unique decor!
- Restaurants and bars: add a futuristic touch that will captivate all visitors.
- Bedrooms and leisure areas: ideal for creating an immersive atmosphere in more personal spaces.
- Game rooms or gaming rooms: create the perfect immersive environment for your sessions.

#### Don't wait any longer!

The NeonWall Effect Wall - 3D InfinityLED DEEP - RGB is not just a trend; it's the way to take any space to the next level. Add a touch of technology and modernity to your home or business and start enjoying an unprecedented visual experience.

**Get yours now! Your space will never be the same again.**
