

Converter Ring + Slim LED Circular Plate 20W - OSRAM DURIS E 2835 CHIP

Product code:

Reference: IL005-PLR20WOSR

Technical specifications:

REFERENCE:
Rated Power : 20w
Nominal Voltage: 85V-265V
Colour: 3000K-4000K-6000K
Construction Material: PC
Number & Type of LEDs: SMD 2835
Beam Angle (°): 120°
Luminous diode LED (Lm/W): 120Lm/W
Luminous Efficiency (Lm/W): 110Lm/W
Certifications: CE - ROHS
IP : IP20
Diode Life Expectancy (H): 40.000
Dimensions (mm): Int: Ø225mm
Dimensions (mm): Ø270mm x H40mm
Frequency (Hz): 50/60Hz
Temperature Range (°C): -20°C ~ +55°C
Driver included: DRIVER NO FLICK
Energy Rating (2023 - UE-2019/2015): F
Warranty Years: 3

Product short description:

Converter Ring + Slim LED Circular Plate 20W - OSRAM DURIS E 2835 CHIP

Easily convert your Slim LED plate into a surface-mounted ceiling light with this handy Converter Ring, perfect for fitting into any space. Equipped with a powerful OSRAM DURIS E 2835 chip, this 20W circular LED plate delivers exceptional performance. Available in three color temperature options (3000K, 4000K, 6000K), you can choose from warm, neutral, or cool light to suit your needs. Ideal for both commercial and residential environments, ensuring energy efficiency and even light distribution.

Product description:

Converter Ring + Slim LED Circular Plate 20W - OSRAM CHIP DURIS E 2835 (3000K, 4000K, 6000K)

Easily transform your Slim LED plate into a surface-mounted ceiling light

This product combines a converter ring with a 20W Slim LED Circular plate, equipped with the OSRAM DURIS E 2835 chip, allowing you to quickly and easily convert a Slim LED plate installation into a surface-mounted ceiling light. Ideal for those seeking adaptability and ease of installation.

Advantages:

Quick and easy installation:

The converter ring makes it easy to transform the LED plate into a surface-mounted ceiling light, saving time and installation costs.

Excellent energy performance:

With the OSRAM DURIS E 2835 chip, the LED plate offers up to 130 lm/W, ensuring efficient lighting without compromising performance.

Color temperature options:

The product is available in three color temperatures: 3000K (warm), 4000K (neutral), and 6000K (cool), adapting to the needs of each space.

Long lifespan and low maintenance:

With advanced LED technology and long durability, this product reduces the need for frequent replacements, making it an economical and long-lasting choice.

This Converter Ring + Slim LED Circular Plate 20W is perfect for residential, commercial, or office applications, providing efficient, high-quality lighting with the reliability of the OSRAM chip. Ideal for renewing your lighting system with ease and efficiency.
