

Square LED Bollard 9W - GARDEN - 5CCT - Outdoor 56.5 cm

Product code:

Reference: GL9W-CCT-91297

Technical specifications:

REFERENCE: GL9W-CCT-91297
Rated Power : 9W
Colour: 5CCT - 2700K-3000K-4000K-5000K-6000K
CRI - Chromatic Rendiment Index: 80
Construction Material: Polycarbonate
Luminosity-Lm: 900
Number & Type of LEDs: SMD 2835
Beam Angle (°): 360°
Luminous diodo LED (Lm/W): 110 Lm/W
Luminous Efficiency (Lm/W): 100Lm/W
Certifications: CE, CMIM, RoHS
IP : IP65-Outdoor
Diode Life Expectancy (H): 30.000
Dimensions (mm): 148x175xH565mm
Power Factor (PF): 0.91
Frequency (Hz): 50/60Hz
Temperature Range (°C): +40°C ~ -20°C
On/Off Cycles: 100.000
Starting Time (s): 0,2s
Energy Rating (2021-UE-2019/2015): A+
Warranty Years: 3
Units per masterbox: 1

Product short description:

LED Square Bollard 9W for Outdoor Use - Modern and Elegant Design with 9W integrated LED and 5CCT selector (2700K-3000K-4000K-5000K-6500K) is the ideal solution to illuminate outdoor spaces with style and functionality. Its modern and minimalist design adds a decorative touch, perfectly suited for gardens, balconies, canopies, or covered walkways.

With **IP65 protection**, it is weather-resistant, offering efficient and customizable lighting for any outdoor environment.

Product description:

Square LED Bollard 9W - GARDEN - 5CCT - Outdoor 56.5 cm

The **9W Square LED Bollard for Outdoor** is a modern, efficient, and versatile lighting solution designed to deliver high performance and aesthetics in a variety of outdoor spaces. With 9W power and a **5CCT** selector (2700K, 3000K, 4000K, 5000K, 6500K), this bollard allows you to adjust the color temperature of the light to meet the needs and ambiance desired. Its sleek and minimalist design adds a decorative touch, while its robust construction ensures long-lasting durability and weather resistance.

Key Features:

- **Integrated 9W LED:** Provides efficient lighting with low energy consumption.
- **5CCT Selector:** Allows you to choose the ideal color temperature for each environment.
- **IP65:** Protection against water and dust, making it perfect for outdoor use.
- **Modern and minimalist design:** Integrates seamlessly into any exterior decor.
- **Durability and resistance:** Made from high-quality materials to ensure long lifespan.

Applications of the GARDEN 5CCT 9W Square LED Bollard - Outdoor 56.5cm

The 9W Square LED Outdoor Bollard is the ideal choice for illuminating a wide variety of outdoor spaces. Its compact and efficient design makes it perfect for a variety of applications:

1. **Gardens and terraces:** Ideal for creating ambient lighting that highlights the landscape and vegetation in your garden or terrace. You can use it to delimit paths, create rest areas or simply to highlight decorative elements such as plants or sculptures.
2. **Balconies and patios:** Bring a touch of elegance to smaller spaces such as balconies and patios, providing a soft and cozy light to enjoy evenings outdoors. The possibility of adjusting the color temperature will allow you to create different atmospheres according to the occasion.
3. **Canopies and driveways:** IP65 protection ensures that the beacon will withstand inclement weather, making it ideal for illuminating driveways, canopies or porches. It will provide excellent visibility and increased safety when accessing your home at night.
4. **Covered walkways:** Perfect for illuminating covered outdoor walkways, pedestrian paths or walkways. Thanks to its compact design, it does not protrude or interfere with passage, but provides just the right amount of light for safe walking.
5. **Outdoor commercial areas:** The beacon is also suitable for illuminating shop windows, outdoor display areas or commercial facilities, providing efficient and aesthetically pleasing lighting that attracts attention without being glaring.
6. **Decorative lighting:** Its sleek, modern design makes it an excellent choice for decorative lighting projects in outdoor spaces, such as vertical gardens, exhibition patios or event areas.

At Factorled we ensure that our products have a **QUALITY** guarantee and offer all the necessary elements for **DISTRIBUTION, IMPORT OR WHOLESALE**, including the technical data sheet of each LED product.

Notice: Product subject to change without prior notice. Ensure to use the most recent technical datasheet.
