WiFi LED Controller Pack 3-in-1 RGB + RGBW + RGBCCT - 12-24V + Remote Control Panel - 2.4GHz

Product code:

Reference: PACK-FUT037W+B4

Technical specifications:

REFERENCE: PACK-FUT037W-B4
Nominal Voltage: DC 12 -24V
Colour: RGB / RGBW / RGB+CCT
IP : IP20
Dimensions (mm): 36x74,5x17mm
Frequency (Hz): 2.4GHz
Temperature Range (ºC): -10ºC - 40ºC
Warranty Years: 3
Range (m): 30m
Main colour: White

Product short description:

The **WiFi LED Controller Pack 3-in-1 + Remote Control Panel 2.4GHz** offers maximum versatility and convenience. Control your LED strips in **RGB, RGBW, and RGB+CCT** via the Tuya Smart App or with the screwless magnetic wall panel. Easily adjust brightness, color, speed, and dynamic effects, enjoy smart animations, and customize pixels for a unique lighting experience. Quick installation and up to **30m range** for total control.

Product description:

WiFi LED Controller Pack 3-in-1 RGB + RGBW + RGBCCT - 12-24V + Remote Control Panel - 2.4GHz

The **WiFi LED Controller Pack 3-in-1 + Remote Control 2.4GHz** is the perfect solution for those seeking **versatility, customization, and convenience** in their LED lighting projects. Designed to operate in three output modes (RGB, RGBW, and RGB+CCT), it adapts seamlessly to any environment – home, business, or event.

With this controller, you have **full control** of your LED strips via the **Tuya Smart App** on your smartphone or with the included remote control.

Key features

- **3-in-1 control**: compatible with RGB, RGBW, and RGB+CCT LED strips.

- **Easy installation**: tool-free, instant wiring.

- **Long range**: control your lights from up to **30 meters** away.

- **Reliable power**: supports up to **12A (6A per channel)** for stable performance.

- **Advanced customization**: adjust brightness, speed, direction, and dynamic modes.

- **Smart effects**: animations, music sync, and detailed pixel control.

- **Configurable scenes**: create up to **4 custom scenes** for different occasions.

- **Voice control**: works with **Alexa and Google Assistant**.

User experience

Through the **Tuya Smart App**, enjoy a complete and intuitive control:

- Change brightness, color, speed, and modes.

- Activate music sync for immersive lighting.

- Configure animations on power on/off.

- Personalize colors and pixels for unique effects.

Whether creating a cozy home atmosphere, an elegant restaurant setting, or dynamic effects for an event, the **WiFi LED Controller Pack 3-in-1** gives you the **flexibility and power** you need.

With the **WiFi LED Controller 3-in-1**, you get a modern, powerful, and flexible device that transforms any LED installation into a **smart, customizable, and easy-to-control system**.

Notice: Product subject to change without prior notice. Ensure to use the most recent technical datasheet.
