#### Product description:

COB LED Strip 24V | 480 LED/M | 5M | Special for Butcher Shops | 1200Lm/M | 10W/M | CRI+92 | IP20 | Cut every 5cm

Proper lighting plays a decisive role in the presentation of fresh products. Consumer studies show that color is the most important attribute for customers when making a purchase decision. Highlighting natural colors makes food look fresh and appealing, increasing its attractiveness. In fact, more than one third of fresh products purchased at self-service counters are bought on impulse, simply because they look appetizing and eye-catching.

Our 24V Magenta COB LED strip is specially designed for butcher shops, fruit stores, and food displays. With 480 LEDs per meter and 10W/m, it provides uniform and intense lighting of 1200 lumens per meter, enhancing the color and natural look of red meats, fruits, and vegetables. Thanks to its high color rendering index (CRI+92), products appear more vivid and fresh, creating a visual experience that encourages purchases.

At only 8mm wide, this strip is discreet and elegant, perfect for showcases, shelves, and counters. The cut-every-5cm design makes it easy to adapt to any space, while the included 3M adhesive tape ensures quick and secure installation on smooth surfaces, with no need for additional accessories.

#### Uses and applications:

- Butcher shops: highlights the natural color of red meats and sausages.
- Fruit and vegetable stores: enhances the appeal of red fruits and vegetables.
- Gourmet displays and food shops: creates a professional and eye-catching environment.
- Commercial decoration: decorative lighting that improves the perception of quality.

With our Magenta COB LED strip, you not only light up your products, you enhance their freshness and appeal, creating an atmosphere that invites customers to buy and boosting impulse sales.

At FactorLED we ensure that our products have a QUALITY guarantee and offer all the necessary elements for DISTRIBUTION, IMPORT or WHOLESALE, including the technical data sheet of each LED product.
