

Cable connector - T- IP68

IP68

Product code:

Reference: 2492

Technical specifications:

REFERENCE: 2492
Construction Material: PVC
Certifications: CE - ROHS
IP : IP68
Dimensions (mm): 116*22mm
Warranty Years: 2

Product short description:

Cable connector especially suitable for outdoor use in projectors, lamp posts ... thanks to its IP67 protection

Product description:

Connector made of Nylon material, Max Cable OD: 7.5mm, Connector Material: Copper, Certifications: CE ROHS UL SAA TUV, Connector Cable Type: Screw thread, Relative humidity: 90%, Color: Black, Working temperature: -35 C ~ 120 C, Storage temperature: -25 C ~ 85 C, Atmospheric pressure: 86 ~ 106KPa; Cable section limit: 2.5mm
