Product short description:

Surface of Panel Kit led 60 x 30 white, made of aluminum is designed to offer the possibility of Install LED panels 60 x 30 in places where the ceiling is not removable.

Product description:

Panel Surface Kit 120x30 white

Our Surface Kit is designed to offer the possibility of installing 120x30 LED panels in spaces that do not have the removable ceiling in which this type of LED lighting is usually installed.

This surface kit consists of 4 pieces of high quality aluminum, 5 centimeters high that emphasize the panel turning it into a surface ceiling, which can accommodate the LED panel, driver, and wiring inside to fix it comfortably in any room or room, without having to give up a modern lighting and very low consumption.

Get the Kit and Panel Led in our store, enjoying the best lighting All our products offer a 2-year warranty. Get it now in a simple way, through our online store.
